THREE RIVERS INFORMATION SECURITY SYMPOSIUM

Friday, October 28, 2016
8:30 AM to 3:30 PM (EDT)

Robert Morris University, Sewall Center
6001 University Blvd, Moon Twp, PA 15108

Pittsburgh region information technology and security organizations are working together to increase awareness, interaction and knowledge among the local information security community.

Local security groups and partners hosting the symposium include InfraGard Pittsburgh, ISSA, OWASP, and Robert Morris University.

ISACA, ISC2, RMU's Top Secret Colonials, and Steel City InfoSec are also providing local support for this event.

Cost is $25 per person with discounts available.

Breakfast and lunch will be provided with attendees limited to 160.

Registration is on Eventbrite:
